

Bricks in this index were purchased between August 9, 2008 and January 9, 2009 or were added to correct any oversights or errors in bricks from Phase I of this Project.

Some brick inscriptions contain a code used by the brick engraving company to represent symbols. There is a listing of these symbols on the last page of this index.

If you have any problems locating your brick, please contact Eilene at 206-933-8352 or sslpp@msn.com.
